3. (U//~~FOUO~~) The DCI has been invited to address significant instances of the public release of classified information over the past five years and describe the damage the disclosures have done to national security and intelligence collection operations. The Committee has also asked him to describe CIA's procedures for investigating unauthorized disclosures and actions he has taken as a result of the investigations.

4. (U//~~FOUO~~) The Director of the FBI has been invited to discuss his Organization's investigative processes once a leak is referred for action and the Department of Justice witness is scheduled to describe the difficulties associated with prosecution of those who leak classified information.

5. (U//~~FOUO~~) The hearing comes in the wake of two closed hearings on the same topic that the HPSCI held on 3 November 1999 and 4 April 2000. The DCI, DD/NSA, and senior officials from CIA, DOD, FBI, and DOJ testified in the 1999 hearing, while senior officers from CIA, DOD, and DOJ participated in the April 2000 hearing.
