that and I might plan to come to London together in compa with Colonel Smith, or someone from Operations, toward the end of	(b)(3
Anguist to focus on some of the arrangements which need to be consu	zn-
mated before we have a capability in being.	
5. I should like to point out formally that although the thr	ree
oflots remaining at Dal Rio will be through with their training on	i.
8 August, I doubt that they will be in shape to be integrated into the detachment at Adams until the completion of Squadron Leader	(b)(3)
flight training, which cannot even begin much before 11 August if	(/(/
promything works out properly. We were notified only this morning	\$
by calla that plans to have Robinson take walker's p	lace (b)(3
as the projected unit commander in Colonel Beerli's organization.	+h
Our present schedule calls for completing all of our activities wi the three remaining pilots on 29 August when they return from a we	ek's
