TECHNICAL SURVEILLANCE COUNTERMEASURES COMMITTEE

OFFICE OF THE CHAIRMAN

TSCC-D-386

8 May 1973

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Support Furnished to Elements of the Government
Outside of the Intelligence Community

The Interagency Audio Surveillance Countermeasures Training Center (ITC) was established at the instigation of this Committee and opened in late 1968 under the executive management of CIA. The need for such a school had been recognized by the National Security Council's Technical Subcommittee as far back as 1962 and was re-emphasized by the Security Committee of the USIB in their October 1964 report titled "Damage Assessment of the Technical Surveillance Penetration of the US Embassy, Moscow."

Membership on the TSCC has been confined to agencies and departments who are represented on the USIB. From time to time other elements of the Government have indicated their concern over the audio surveillance threat and asked for membership on the Committee. In all cases they have been turned down with the suggestion that they take advantage of the TSCC's product either through liaison with the security organizations of the Committee's members or by nominating students to attend the ITC. During CY-72 the following students were trained at the ITC:

Central Intelligence Agency	10
Defense Intelligence Agency	5
Department of the Air Force	25
Department of the Army	50
Department of Justice (BNDD)	4
Department of the Navy	5
Department of State	3

00163

~~CONFIDENTIAL~~

Department of Transportation	3
Internal Revenue Service	3
National Security Agency	1
United States Secret Service	6
White House Communications Agency	<u>2</u>
	117

The ITC has furnished training only to employees of the agencies and departments of the Federal Government. State and local police departments have not been detailed to the ITC.
