C. V. NOYES

My total contact with other agencies in terms of assistance with domestic operations has been in the field of audio surveillance countermeasures, anti-hijacking, or drugs. Specifically, I participated in TSCC and R&D Subcommittee meetings which included technology exchanges and some equipment exchanges on a temporary basis ostensibly for testing or trial. I also assisted in x-raying the office walls of the Chairman of the AEC (then Mr. Schlesinger) at the request of Mr. Richard Cowan of AEC Security. The operation occurred one evening (date unknown) and was an attempt to resolve some anomalies created by the use of the nonlinear junction detector.

Mr. Martin Pera, U. S. Customs

Mr. Marvin Beasley, DASA

Mr. Thomas Allen, FBI
