

RELEASED IN FULL

Talking Points for SSCI Breakfast

26 September 1985

APPROVED FOR RELEASE - CIA INFO DATE: 11 NOV 2017

Quick overview

Hostages and initiatives and overtures - hopes and promises - who and where?

KGB in greater disarray than Germans and French - compare recently discovered losses - Iran - technology - - 2 defectors learned enough to disrupt KGB - 200 kicked out - don't know how many have been fingered - also learned about some major but less sweeping

Ed Juchniewicz

Trouble spots

Southern Africa - Soviets and Cubans - Pakistan - arms dump in Kabul

- Cuban involvement in Nicaragua - resistance still doing well -

Chile-another target

Algeria and Egypt

Sudan- Tunisia - air incursions to sidetrack media - Chad -

Algeria and Egypt

Preparation for Gorbachev meeting

value of arms reduction

Soviet missile defense

propaganda company - not making impact in Europe you would think

Spreading politization of international debt = Peru, Argentina, Mexico - UN

Organization

Technical security

counterterrorism

Letters on Libya

Counterterrorism finding

ready to answer questions

Role in Central America
