LATE NOTES FOR THE PRESIDENT'S DAILY BRIEF OF
18 APRIL 1969

NR Record

II. OTHER IMPORTANT DEVELOPMENTS

KOREA

The North Koreans have not yet commented directly on President Nixon's announcement that reconnaissance flights will be resumed with adequate protection. A Pyongyang domestic broadcast last night, however, pledged that the Korean people "will in the future, too, mete out severe punishment to aggressors who infringe upon the sovereignty of our country."

We have observed no indications that North Korean forces are preparing for offensive action.
