21 AUG 1973

MEMORANDUM FOR: Director of Central Intelligence
FROM : Inspector General
SUBJECT : Use and Control of Disguise and Alias Documents

Action Requested:

1. The attached report resulted from our general inquiries into Watergate-related issues and contains recommendations in paragraph 9 for your approval.

Background:

2. In the course of collecting information on various activities of the Agency with flap potential, we received a number of reports on issuance and use of disguise and alias documentation. The Executive Secretary, CIA Management Committee noted on the face of the summary submitted by the Office of Technical Services (OTS) on materials issued by it that it would be interesting to check the reports of other components to see if they matched with OTS issuances. In fact, OTS is not the only component to issue alias documentation, and the review was broadened to include the other issuing components and their procedures for controlling the materials. The attached report summarizes the findings.
