MEMORANDUM FOR: Inspector General

SUBJECT : Use of Disguise Materials and Alias Documentation
Within the U.S.

REFERENCE : Memo dtd 30 May 73 to DTR fm [redacted] Subj:
Issuance of Disguise Materials for Probable Use
Within U.S. or It's Territories

(b)(3)

1. The Associate Deputy Director for Operations has asked that we give you a detailed report of the actual use that the Office of Training has made within the U.S. of all disguise materials and alias documentation we have obtained for our staff members and students.

2. Disguise Materials

OTR has obtained from OTS disguise materials - including glasses, wigs, mustaches, and special shoes to increase height - for 12 staff instructors at the Domestic Training Station. The purpose of these materials is to increase the difficulty that students in the Basic Operations Course and Advanced Operations Course will have in recognizing instructors during problems and exercises conducted [redacted] near DTS. Exercises include surveillance, countersurveillance, brush passes, and dead drop problems in which instructors monitor student activity. These exercises are run under carefully controlled conditions only in areas where adequate liaison exists with local authorities to avoid any flap should difficulty arise during an exercise.

(b)(3)

The sole use of disguise materials by these instructors has been or will be in support of the training exercise noted above. At no time have the materials been used for other purposes.

3. Alias Documents

U.S. alias documents consisting primarily of business and social cards, but also including drivers' licenses and social security cards, have been used for more than a year by students

(b)(3)

Such use is limited to establishing bona fides, if required, during the human assessment problem that is a part of the comprehensive exercise,

(b)(3)

At the conclusion of the course, the alias documents are collected from the students and returned to OTS. Again, these documents are used only under carefully controlled conditions in an environment where adequate liaison with local authorities exists to contain any flap; and the documents are used only for the purposes stated.

(b)(3)

4. A thorough canvass of all elements of OTR discloses no other instance in recent years in which we have used disguise materials or alias documentation within the U.S. or obtained such materials for that purpose.
