US State Department Travel Advisory

The US State Department currently recommends US citizens DO NOT TRAVEL to Russia due to the unpredictable consequences of the unprovoked full-scale invasion of Ukraine by Russian military forces, the potential for harassment and the singling out of U.S. citizens for detention by Russian government security officials, the arbitrary enforcement of local law, limited flights into and out of Russia, the Embassy's limited ability to assist U.S. citizens in Russia, and the possibility of terrorism. U.S. citizens residing or travelling in Russia should depart immediately. Exercise increased caution due to the risk of wrongful detentions.
